

>Simply the best Tow Bar

Europe's favourite tow bar now available in the Middle East

Catalogue
Middle East
2014

towbars.ae

Aesthetic Design Stylish

slim, sleek, discreet and
sophisticated

Highest European Quality

EU Made

Designed and installed according
to mounting points marked by
your car manufacturer.

OEM Quality

No welding, drilling or changes
to your car chassis.
Our tow bars are a
"Perfect Fit"

Strong

Robust

Safe

Quick & Easy to use

State of the art technology

Fully EU (European and UK)
approved.

Tested over 2 million times.

ISO 9001:2008 Certified.

Invisible

State of the art, slim, sleek, discreet and sophisticated.

After detaching the tow ball, the system is completely invisible.

Recommended for those who value aesthetics, as the design of your vehicle remains intact.

Quick Release

Our QR detachable tow bar system is currently the most popular in the market.

The beauty of this type of bar is that the neck simply un-clips (Quick Release) when not in use it, leaving little or nothing of the tow bar to see.

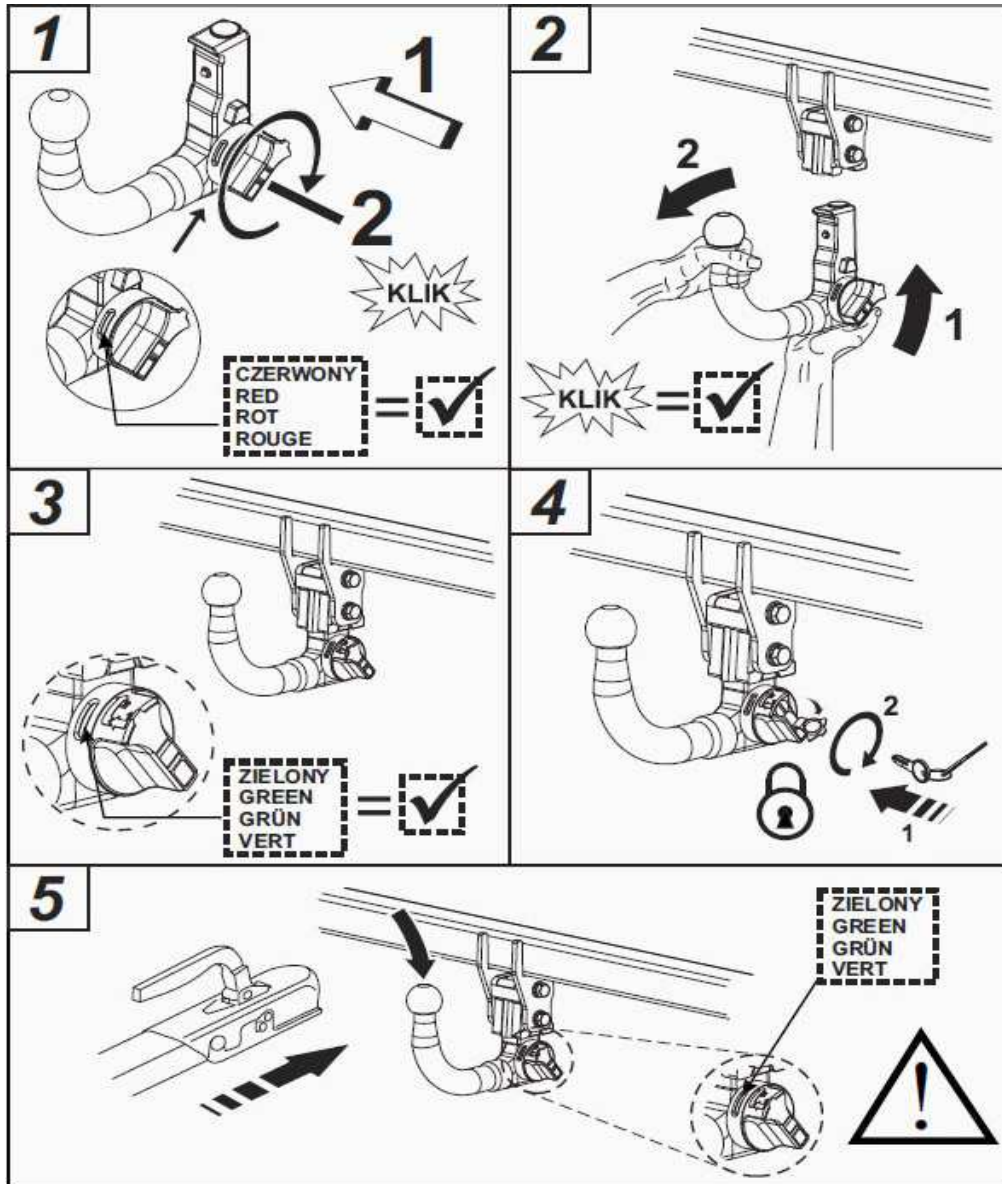

Fixed

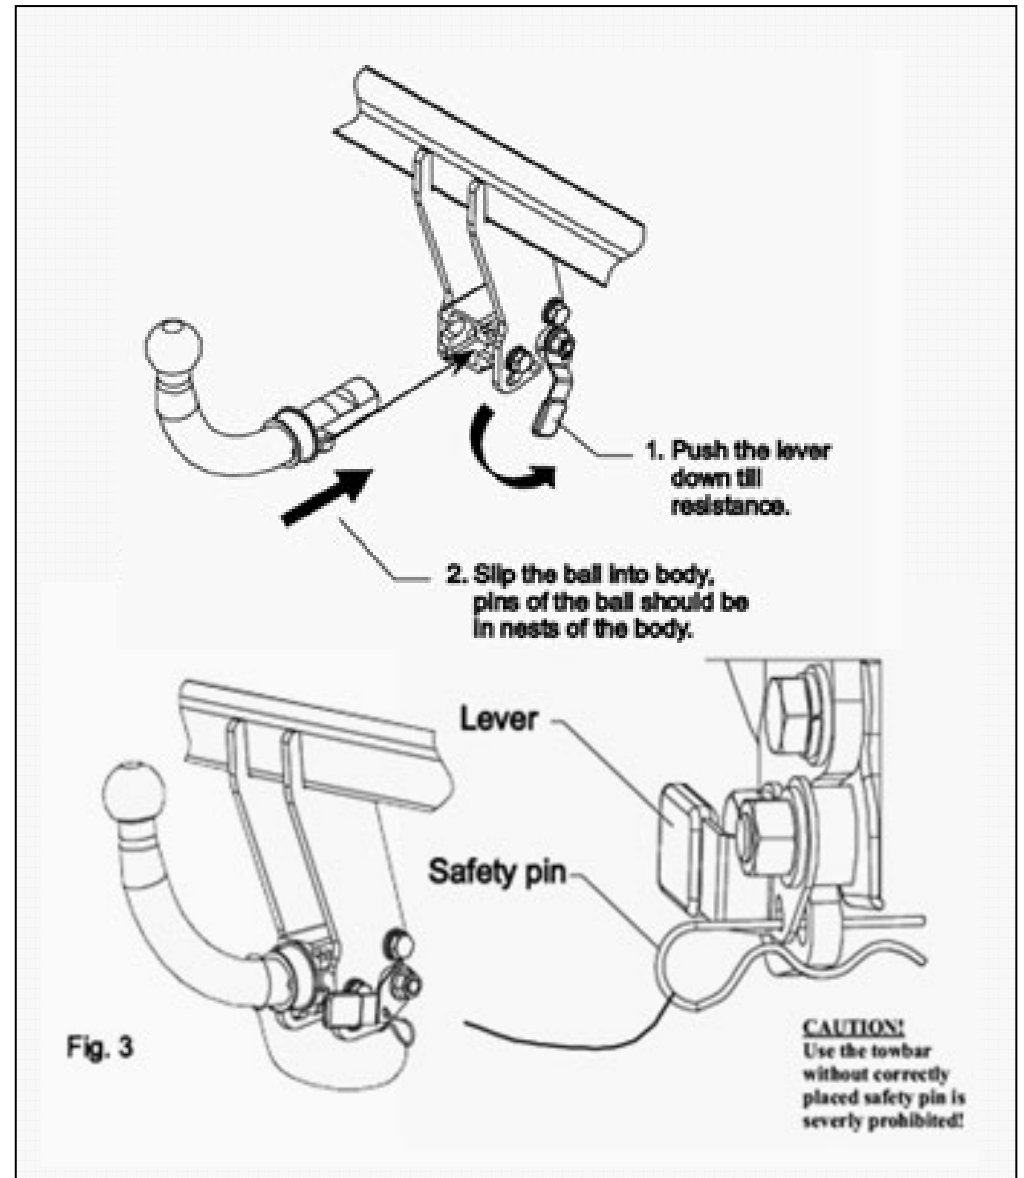

Slim, sleek and sophisticated, our fixed tow bar combines quality with excellent value for money.

Our fixed tow bar is permanently attached, recommended for those who frequently tow. .

Invisible
